

Moore Colson Joins Technology Incubator Digital Ignition

August 13, 2019

Atlanta, Georgia

Moore Colson, [a nationally-recognized and award-winning CPA, advisory and consulting firm](#), has joined Digital Ignition, a technology and startup incubator in Alpharetta, Georgia.

Digital Ignition offers tech entrepreneurs a place to create, develop, network and thrive. The incubator is focused on providing early-stage tech companies with a working environment that is conducive to innovation, sharing, flexibility and growth. Digital Ignition was first launched in 2016 as part of digital display company Convergent as a co-working space, but over the last year, officials have expanded the offerings beyond mere space to work to include attorney, accounting and other incubation services. Its ribbon-cutting ceremony took place on June 27, 2019, and was attended by Georgia's Lt. Governor Geoff Duncan along with key members of the technology and business community.

Moore Colson is on-site at [Digital Ignition](#) on a regular basis assisting startups and established companies with free office hours for accounting-related support. The firm's professionals are experts in the specialized [financial reporting](#), [tax](#) and [IT control requirements](#) facing technology companies. It couples that expertise with the intellectual strength, unique industry experience, professional leadership, and entrepreneurial spirit to formulate and execute the innovative solutions necessary to meet the challenges facing its clients.

Headquartered in Atlanta, Moore Colson is one of America's largest and top award-winning firms delivering innovative and practical solutions in a true partnership model. The firm has been providing accounting, advisory and consulting services to mid-market businesses and Fortune 500 companies in the Southeast and nationwide since 1981.
